Graham Visitor Health Screening Questionnaire

The safety of our employees, supplier partners, customers, families and visitors remain Graham’s overriding priority. As the coronavirus disease 2019 (COVID-19) outbreak continues to evolve and spreads globally, Graham is monitoring the situation closely and will periodically update company guidance based on current recommendations from the Center for Disease Control and Prevention (CDC) and the World Health Organization (WHO). Only business critical visitors are permitted into any of Graham’s buildings at this time.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our workforce and visitors, we are conducting a simple screening questionnaire.
