FOR IMMEDIATE RELEASE

Graham Corporation to Present at The Wall Street Investor Forum

Los Angeles, CA / Accesswire / March 8, 2018 — Graham Corporation (NYSE: GHM), a global business that designs, manufactures and sells critical equipment for the oil refining, petrochemical, power and defense industries, today announced that Jeffrey F. Glajch, Vice President-Finance & Administration and Chief Financial Officer, will present and be available to answer questions during a breakout session at The Wall Street Investor Forum on Thursday, March 22, 2018 in New York City.

GHM's presentation will begin at 11:50 a.m.ET, with the breakout session immediately following the presentation. A link to the live webcast, along with presentation materials, will be available at www.graham-mfg.com. An archive of the presentation can be accessed using the same link following the conference and will be available for a period of one year.

ABOUT GRAHAM CORPORATION

Graham is a global business that designs, manufactures and sells critical equipment for the energy, defense and chemical/petrochemical industries. Energy markets include oil refining, cogeneration, nuclear and alternative power. For the defense industry, the Company's equipment is used in nuclear propulsion power systems for the U.S. Navy. Graham's global brand is built upon world-renowned engineering expertise in vacuum and heat transfer technology, responsive and flexible service and unsurpassed quality. Graham designs and manufactures custom-engineered ejectors, vacuum pumping systems, surface condensers and vacuum systems. Graham is also a leading nuclear code accredited fabrication and specialty machining company. Graham supplies components used inside reactor vessels and outside containment vessels of nuclear power facilities. Graham's equipment can also be found in other diverse applications such as metal refining, pulp and paper processing, water heating, refrigeration, desalination, food processing, pharmaceutical, heating, ventilating and air conditioning. Graham's reach spans the globe and its equipment is installed in facilities from North and South America to Europe, Asia, Africa and the Middle East.

Graham routinely posts news and other important information on its website, www.graham-mfg.com, where additional comprehensive information on Graham Corporation and its subsidiaries can be found.
